

Every story has a **beginning**, **middle**, and **end**!

BEGINNING

This is where the story starts.

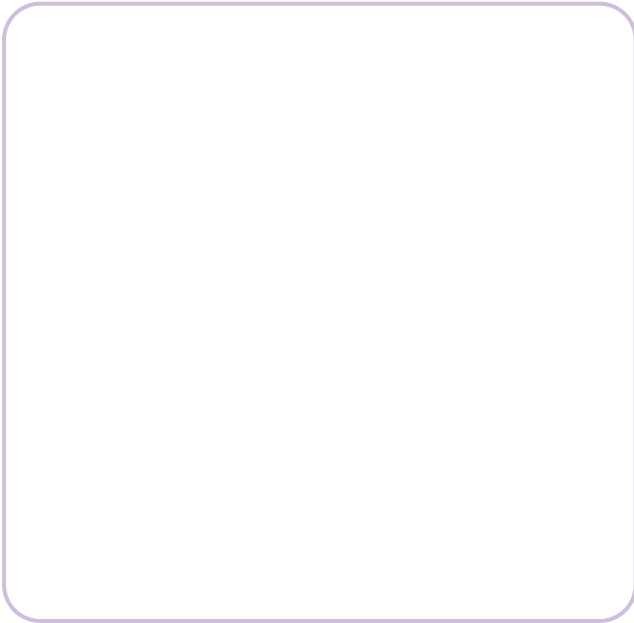

MIDDLE

This is where something happens.

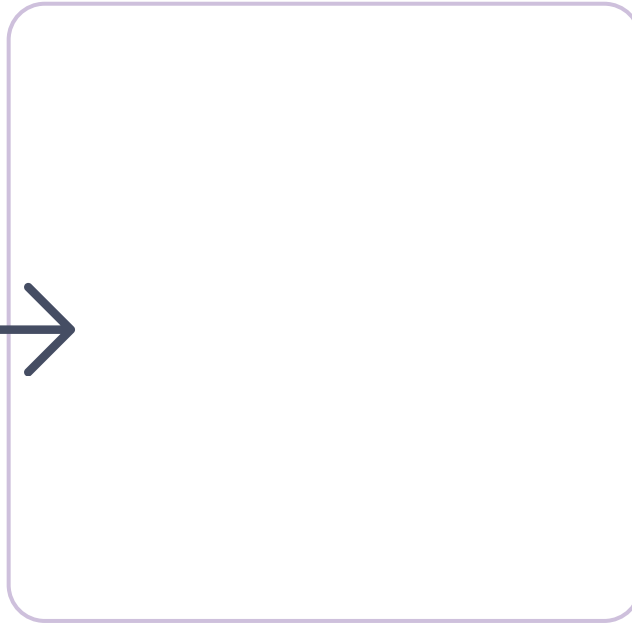

END

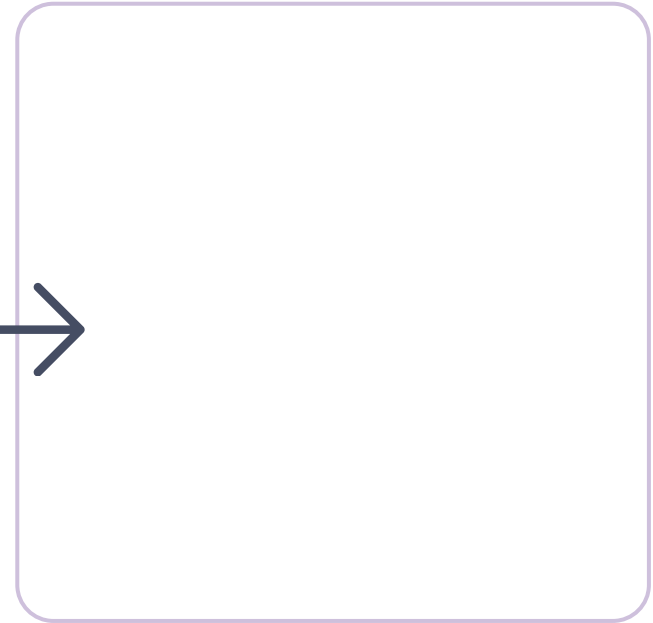

This is where the story ends.

We meet the characters and learn what is happening.

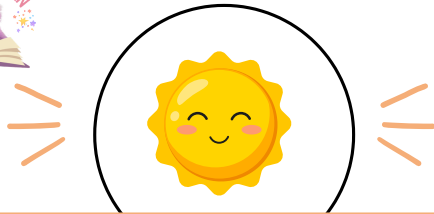

There might be a problem or an adventure!

The problem is solved or the adventure is over.

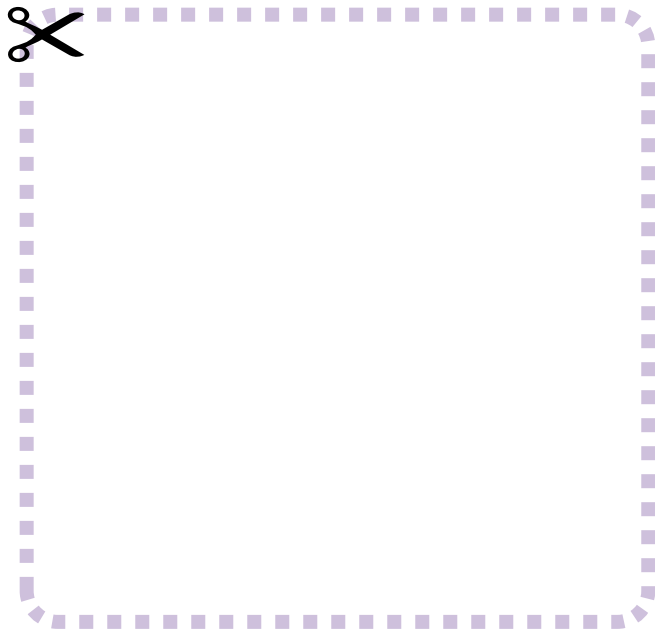

Stories help us learn, imagine, and understand the world!

BEGINNING

Draw what happened at the beginning.

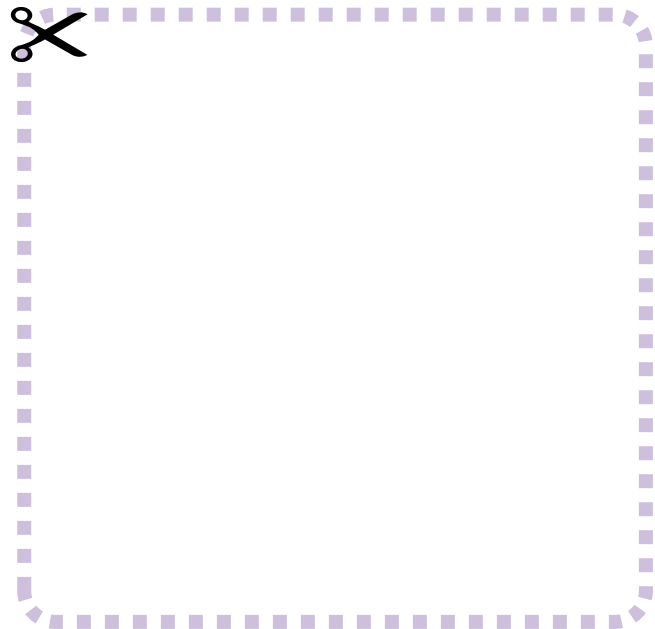

Who and where?

MIDDLE

Draw what happened in the middle.

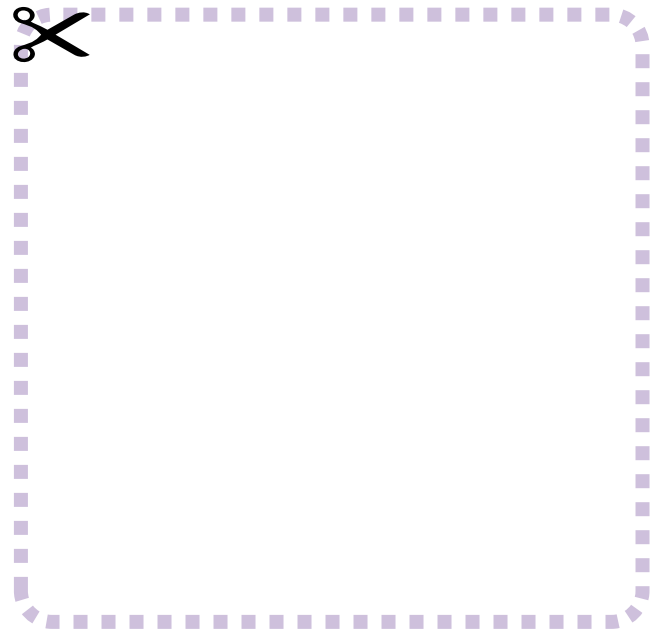

What happened?

END

Draw what happened at the end.

How did it end?

Now cut and paste your story onto the sequencing sheet!
